

Chemical Safety!

PSCI 5550

Course material will be mailed January 9-17th.
Course will conclude on April 28, 2006.

Description:

This workshop will prepare secondary science teachers to safely participate in laboratory activities in Physical Science, Chemistry, and Physics Courses. In order to protect teachers, students and school property from accidents caused by carelessness and/or misuse of laboratory chemicals or equipment, it is important for teachers and students to achieve proficiency in science safety, procedures and protocol.

This safety workshop provides instruction on laboratory equipment; the safe use of equipment; the use of safety supplies and equipment; relevant safety articles; and safety protocol. The workshop includes planning time for each teacher to review your own school's plan and formulate a suggested safety plan for science instruction. Teachers will gain basic skills necessary for a safe classroom and laboratory. Chemical management, storage and disposal will be key topics.

So you might be asking what will the structure of this course be and can I handle the load while teaching?

The answer is YES!

This course will be run as an independent study course. Everything needed for the course will be mailed to you in one big packet; the book, reading assignments, discussion worksheets, and quizzes. It will be your responsibility to mail the assignments back or else email them to me the course TA. The course will have deadlines for each assignment, but everything is not due until the final date. The deadlines, are to outline the assignments and help you not wait until the last minute! (bioasst@suu.edu)

Please see next page that talks about cost of the course.

Cost for 1 college credit is: \$30.00 (will be cashed immediately)

This check must be turned in before you can access class information

You will receive a classroom copy of Lab Safety: Be Protected

Cost for Course Fee is: \$150.00

(must be paid by May 1st to receive spring 2006 grades)

If district is paying just get appropriate signatures on registration form and we will take care of billing...

Please send \$30.00 check to:
